The Mission Committee has been discussing how GRACE church can help make a difference with the homeless during the winter months. There are many ways that we can help during "Gap" times (which are the hours when the Library has closed and the Warming Center has not yet opened): These include volunteering at local churches that open their church doors during the gap times and possibly having our church open and serving a holiday meal when the Library is closed during the holidays. If you would like to help with this much-needed mission in our community, be looking for a volunteer sign-up coming your way in the next few months. The Warming House is open from November through March.

Your Help is Needed!!
